Maybe even better than free.

If only we could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail orinstant messenger. So try our free and simple filehosting service now. There are no restrictions on the number of times a file can be downloaded. It is alsoallowed to link to the download page from websites and communities. You can upload any type of file (movies, music, documents, images, zip files and more).The cost of that data transfer is covered by your internet service or the data plan on your phone. File is free to use with no gotchas and no hidden fees. Any filein any format can be uploaded and downloaded for free. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data isbeing transferred between your computer or phone and our servers, then from our servers to your friends device. Unfortunately, we can't make that part free.Simply upload your file and share the link. Using file, you can circumvent those limits without paying to upgrade your team chat service. Keep your filesprivate, or send your download links only to friends or family. filehosting provides an easy possibility for you to send large files to your friends. Just upload thefile you want to share with your friends and we send you a download link to your file. You don't need any special software installed to be able to download yourfiles. No account or credit card is required to get started. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Filestransferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Alternatively you can choose toshare your download links on blogs, forums and social networking sites. When you use file, you avoid storing the file you're sending in your cloud storage ormail server. Files can be downloaded from any computer from our high speed servers. You decide who you want to share your files with. Why pay storage feesfor a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within theirapps. Our service is completely free for everyone. We have no file size limit.
